¹ The payment service partner used by the Operator is UAB "NS Pay" (legal entity code: 305652931; registered office address: Vašingtono a. 1- 62, Vilnius). Please note that if the Platform User uses the services of another payment service provider, i.e. payment services not provided by the Operator's selected payment service partner (UAB "NS Pay"), when performing payment transactions for Users, the Operator has the right to deduct the cost of the relevant payment transactions from the payment transactions performed.

² The fee is paid by the investor (lender) to the platform operator if the borrower fails to fulfill his financial obligations under the loan agreement. In such a case, the platform operator incurs additional administration costs. The debt administration fee is paid only after the recovery of compensatory interest (part thereof) from the Borrower under the Loan Agreement (including when the Borrower pays compensatory interest (part thereof) after the Operator's request and in other cases).

³ From the amount for which the right of claim is transferred on the secondary market (ie from the sale price of the right of claim on the secondary market).

⁴ The prices of services for borrowers are indicated without value added tax. Value added tax is applied (added) to the prices paid by borrowers in accordance with the procedure established by the Law on Value Added Tax of the Republic of Lithuania and other legal acts regulating the payment of state taxes. The fee paid by the borrower depends on the competitive environment, the amount of the loan sought, the period, the attractiveness and continuity of the project. The exact fee paid by the borrower is determined by a separate agreement between the operator and the borrower.

⁵ The fee is paid by the borrower to the platform operator if the loan agreement is terminated due to the borrower's (or guarantor's) default. In such a case, the platform operator incurs additional administrative costs.

⁶ The borrower pays the platform operator a fee for administrative actions if the borrower repays the loan amount (or part of the loan amount) before the specified deadline.

⁷ The fee is paid by the borrower to the investor for each day of delay in the overdue payment. The fee is calculated on the amount of the overdue payment.

⁸ The fee is paid by the borrower to the operator each time the borrower delays (fails to fulfill or improperly fulfills) the payment of his/her monetary obligation under the loan agreement. In case of delay of more than one payment period, the penalty for the first late period is €50, and for subsequent late periods the penalty is €150.

⁹ The monthly administration fee is paid each month until the obligations under the Loan Agreement are fully fulfilled. The monthly administration fee is included in the total monthly amount payable or the operator issues a separate invoice, which is sent to the contacts specified by the Borrower.
