¹ The fee is paid by the investor (lender) to the platform operator if the borrower defaults on its financial obligations under the loan agreement. In this case, the platform operator incurs additional administrative costs.

-
- ² From the price of the sale of the right of recourse on the secondary market (i.e. The price for which the right of recourse is sold on the secondary market).
- ³ The fees applicable to borrowers are shown without value added tax (VAT). The VAT is applied (added) to fees paid by borrowers in accordance with the Value Added Tax Law of the Republic of Lithuania and other legal acts governing the payment of national taxes.
- ⁴ The Operator's fee depends on competitive environment, the continuity, size, period, attractiveness and competitive environment of the project. The exact fee to be paid by the borrower is set in a separate agreement between the operator and the borrower.
- ⁵ The fee is paid by the borrower to the platform operator if the loan agreement is terminated due to the default of the borrower (or the persons securing the obligation). In this case, the platform operator incurs additional administrative costs.
- ⁶ The fee is paid by the borrower to the platform operator for administrative actions if the borrower repays the loan amount (or part of the loan amount) before due date.
- ⁷ Payable by the Borrower to the Operator each time when the Borrower is in delay to perform (non-performance or defective performance) its financial obligation under the Loan Agreement. For delays of more than one payment period, the fine for the first period is € 50 + VAT, and for subsequent delays is € 150 + VAT.
